Her Excellency

Dr. Fatima Maada Bio

First Lady of the Republic of Sierra Leone

State House

Freetown, Sierra Leone

Your Excellency,

LETTER OF PERSONAL APPRECIATION

I write with profound gratitude to personally thank you for accepting my invitation to serve as Keynote Speaker and

Guest of Honour at the inauguration of the SLPP North America – New York Chapter Executive.

When I extended the invitation to Your Excellency, I did so with the sincere hope that you would lend your presence, voice, and leadership to an occasion that was deeply important to our Chapter. Your acceptance was therefore not something I took for granted. You honored me personally, you honored the Executive I have the privilege to lead, and you gave the New York Chapter a platform and visibility beyond what we could have achieved on our own.

Your presence transformed our inauguration from a Chapter event into a truly memorable political and family gathering. It strengthened the morale of our membership and demonstrated once again your willingness to remain connected with ordinary members of our great Party, including those of us serving the SLPP in the diaspora.

Your Excellency, I am particularly grateful for the confidence and recognition your acceptance represented for my leadership. Leadership is ultimately about service,

loyalty, courage, and standing with those whose vision one believes in. I remain committed to those principles.

Your Excellency, I have followed with admiration the political consciousness, grassroots energy, discipline, and sense of purpose represented by Ebema Gbie, the movement you founded. My identification with Ebema Gbie is deliberate and rooted in my belief in the values it represents: loyalty to our Party, respect for leadership, political participation, unity of purpose, and the mobilization of our grassroots around a common vision. I see in Ebema Gbie an important force for strengthening the bonds within our Party family and inspiring members to take greater ownership of the future of the SLPP. I am proud to associate myself with that vision and remain committed to contributing, in whatever capacity I can, to the principles and aspirations that continue to give the movement its strength and relevance.

The opportunity you gave me and the New York Chapter has strengthened my resolve to continue serving our Party with greater purpose. Wherever I am called upon to contribute constructively to the advancement of the SLPP,

our membership, and the ideals we share, I will consider it both an obligation and an honor.

On behalf of my family, and most especially on my own behalf, please accept my deepest appreciation for honoring my invitation and for giving me the opportunity to welcome you to the New York Chapter under my leadership.

Your Excellency, your presence will remain one of the defining moments of our inauguration and of my tenure as Chairman.

Please accept the assurances of my highest esteem, loyalty, and continued commitment.

Respectfully yours,
